Whether You Need 1 or 500 CNC Control Systems...We Are Ready!

2022 has been another year of supply chain issues for most companies. Our team saw this coming well over a year ago and has been working closely with all of our key suppliers and pre-ordering so that our lead times today are the same as they were 2 years ago. Gone are the days of Just-in-Time (JIT) Production with very lean inventory on hand... Hello Just-in-Case Inventory (JIC). In order to accomplish this, we have expanded with a new warehouse which in many cases has over a year's worth of parts for future orders.

We are also implementing a new inventory system that will further predict our needs so we will be well prepared beyond 2023.

For more information please call us at 847-940-9305 or e-mail us at sales@flashcutcnc.com.

We are Ready for IMTS 2022!

There is no place like Chicago in the late summer! Come to our booth A5109 from Sept. 12-17 and see the latest and greatest in:

- CNC for the new Plasma Powermax Sync with integrated FlashCut CNC CAD/CAM and THC
- CNC Pipe, Tube and Bevel Cutting
- The easiest and most powerful integrated CAD/CAM/CNC on the planet.

We will be showing off all of the above by designing, cutting and building a FlashCut-controlled Go-Cart.

If you want more information about the show, please call us at 847-940-9305 or e-mail us at sales@flashcutcnc.com.

Coming Soon - Fabtech 2022 Atlanta

Please come join us November 8-10, 2022 at the Georgia World Congress Center, Atlanta, GA (Booth BC15933) to see our latest and greatest in plasma, waterjet, oxyfuel, router, laser and 3D printing software and control solutions. We will be giving live demos of our highly acclaimed plasma, and pipe cutting CAD/CAM/CNC solutions.

At the show we will be showing demos on:

- Our New Version 10 FlashCut 2D, 3D and Pipe CAD/CAM/CNC
- Simultaneous marking and cutting with plasma
- Hypertherm XPR Support
- Kjellberg Smart Focus and HiFocus support
- Laser Support
- Router Support
- Waterjet Support
- FlashCut Stingray® THC

If you plan on attending, please be our guest. You can order a free pass to the show by calling us at 847-940-9305 or e-mailing us at sales@flashcutcnc.com.

Bike to Work Day 2022 A Huge Success!

14th Annual - 2022
Bike to Work Day

We had a fun time and perfect weather to support a great cause - The Highland Park Community Foundation's 4th of July Fund. We raised over \$6000! A huge thank you to all who participated and donated.

It is never too late to donate. For more info about the HPCF's efforts to help families and victims of the tragic events during our local 4th of July parade, please follow the link below.
